## Part 2. Reading

A. Read and Circle ( $3 \times 2 = 6$  points)

Mr. Black came to live in our apartment building last month. I saw him for the first time in the garden. He sat and looked at the stars and took photographs of them. I sat with him and I learned a lot of interesting things.

“Can you see the swan?” he asked. I looked at the stars and I saw it! He quickly took a photograph of the beautiful swan. I asked Mr. Black why he doesn’t talk a lot.

“I am new here,” he said. “I am scared they will think I am different and unusual.”

I told my neighbors about Mr. Black's wonderful photographs. My neighbors like Mr. Black because he is different and they always stop to speak with him.

## B. Read and Circle (5 × 2 = 10 points)

My family loves to cook. We eat at restaurants because it helps us learn new ways to prepare food, but we prefer to eat at home because my parents get home from work late. I like to help, but I will not cut the onions!

Last week, our neighbor came to our house for dinner. He made some delicious Chinese dishes. After, we showed him how to make a salad.

After dinner, we enjoyed something sweet. Dad and I prepared a chocolate cake with fresh strawberries. My brother and I helped to clean the table. At 11 o'clock, our neighbor left and said, "I would like to come to this restaurant again!" My dad laughed and said, "Please come again soon!"
